ABOUT COMPANY

MAPL asks for more! Manufacturing the product and selling it isn't enough. We need more than that. That 'more' is the magic – Quality and Commitment. It really needs to be strengthened at core level. That's one of the reasons why MAPL is a strong organization.

MAPL, after enjoying success with Aluminium Extrusion, Maa Panel (India) Pvt. Ltd. is now exploring new avenues by creating an exclusive range in the Aluminium Composite Panel industry as well. M/s Maa Panel (India) PVT. LTD. is one of the leading manufacturers of Aluminium composite panels (ACP) in India. with the state-of-art plant at Sabarkhantha in Gujarat under the brand 'MAPL'. MAPL is also accredited with ISO 9001-2015 & ISO 14001:2004 certification and certified by India's most reputed testing institutions.

Our manufacturing facilities feature a perfect ergonomic design and industrial output by team of proficient men aided by world class machines.
